

How Can This Work for Good?

Corinn

D A G D/A A

How can this work for good, This sor - row, grief, and pain?
This side of hea - ven's light The mists so of - ten hide
But through it I can see God's pro - mise in His Word
I do not un - der - stand, But, Lord, I will be - lieve

D G D A

Can this be un - der - stood To turn to joy and gain?
The an - swers out of sight And faith must be my guide.
What He al - lows will be To make me like my Lord.
That from Your gra - cious hand New strength I will re - ceive.

Lord, give me faith to rest And give me eyes to see

That all Your ways are best Or - dained in love for me.
